Geographical area covered

Anywhere in the UK

Work experience

I have been working as an independent evaluator, researcher and project manager since 2002. I have conducted a variety of evaluations and research projects in the UK and overseas with a wide range of voluntary sector organisations, grant-making organisations, and local and central government departments. Prior to that, as Project Officer at Charities Evaluation Services, I was involved in the management of a number of high-profile UK and internationally-based evaluation and research projects.

Publications

Cooper L, Knight B, Blackmore S, *Social Capital in Croatia*, The Foundation for Civil Society Development (2005)

Qualifications

MA in Evaluation and Social Research
