SPECIALISMS

My special interests are organisational review; evaluation; strategic planning; and grant assessment. I also love to work alongside the trustees and staff of smallish organisations to help them raise their game by maximising their strengths and overcoming their weaknesses.

WORK EXPERIENCE

- 13 years as the Chief Executive of the BBC Children in Need Appeal
- 9 years as the Chief Executive of Gingerbread, the Association of One Parent Families
- 10 years as a freelance consultant. Recent and current clients include: the Centre for Charity Effectiveness at the Cass Business School; IVAR, the Institute for Action Research; City Bridge Trust; John Lyons Charity; The Alliance in Herefordshire; Laidlaw Youth Trust; and a wide range of small organisations.
- During this time I also served a 5 year term as a part time commissioner for Postcomm, the postal services regulator.

GEOGRAPHICAL AREA COVERED

I work anywhere in the UK as long as the journey is viable and the cost of travel is not too much of a burden for the client. I have also done some work in Eastern Europe (advising on the setting up of broadcast appeals).
